

2016 Official Pledge Form

Twin brothers, Caleb and Coen, at Camp VIP 2015, say thank you to all BreakAway Kids Tri fundraisers and their donors who made it possible for them and over 100 other kids to attend the camp sponsored by CycleHealth last summer. Please help support Camp VIP 2016 coming in late August.

More than a Race. The *BreakAway Kids Tri* gives kids a chance to make their summer training and race on August 20 matter to other kids by fundraising to support two important causes:

- **Camp VIP** - a week-long adventure camp for kids fighting cancer or blood disorders and their siblings (organized with healthcare support from **Children's Hospital & Clinics of MN**)
- **Scholarships** - for kids who face financial barriers to participating in CycleHealth's events and programming

Will you please support this campaign with a tax-deductible donation?
